GARY SANTI, *et al.*,

Plaintiffs,

v.

SPECTRUM PHARMACEUTICALS,  
INC., *et al.*

Defendants.

Case No. 2:13-cv-00502-LDG (CWH)

1 The plaintiffs and the defendants in the above-captioned actions filed a stipulation,  
 2 in each of the respective dockets, agreeing, *inter alia*, to the consolidation of the actions.  
 3 The first of the actions to be filed, the *Perry* action, was assigned to the undersigned. At  
 4 the time the stipulation was filed, the later-filed cases (the *Carroll* and the *Santi* actions)  
 5 were assigned to judges other than the undersigned. The parties did not expressly move  
 6 to have the assignment of the later-filed actions transferred to the undersigned for  
 7 consideration of the motion to consolidate, though such transfer has now occurred. In  
 8 reviewing the dockets of all three matters, the Court notes that, before all matters were  
 9 transferred to the undersigned, a copy of the parties' stipulation in one of the actions was  
 10 signed and improvidently docketed in all three actions as an Order granting consolidation.  
 11 Accordingly, to ensure the administrative integrity of the docket in each of the cases, and to  
 12 establish that these matters are properly consolidated, and to establish that the *Perry*  
 13 action is the base file of the consolidated actions and is the base file in which the parties  
 14 are to file the consolidated complaint, therefore

15 THE COURT **ORDERS** that the Clerk of the Court shall strike, as signed and  
 16 improvidently docketed, the Order docketed at #13 in 2:13-cv-00433-LDG (CWH);

17 THE COURT FURTHER **ORDERS** that the Clerk of the Court shall strike, as signed  
 18 and improvidently docketed, the Order docketed at #11 in 2:13-cv-00498-LDG (CWH);

19 THE COURT FURTHER **ORDERS** that the Clerk of the Court shall strike, as signed  
 20 and improvidently docketed, the Order docketed at #11 in 2:13-cv-00502-LDG (CWH);

21 THE COURT FURTHER **ORDERS** that the following actions are consolidated for all  
 22 purposes, including but not limited to, discovery, pretrial proceedings and trial proceedings,  
 23 pursuant to Rule 42(a) of the Federal Rules of Civil Procedure:

5 plaintiff's opposition papers in which to file reply papers.
